- told the members that since we are halfway through the Rotary year, she would like to extend her thanks to those who have supported her efforts to date. Continued, positive support and encouragement for the remaining six months will make her job an enjoyable challenge.

In the months ahead, she looks forward to working with [PE Robert](#) and we will assess the **Club Leadership Plan** to ensure a smooth handover on 1 July 2010. However, during the next six months, we will continue to be very busy with ongoing issues such as raising the remaining required **US\$ 400** for the **END POLIO NOW Program**, **increasing Membership** and having fun with our **Fellowship Programs**. We will also need to tighten up on proposals for **New Projects** and **Fundraising**. Of course, newly elected Board Members are encouraged/expected to attend the various **District training seminars** during the next few months.

We have made determined attempts this year to get our Club's name out there via:

- **Radio**
- **Press** (Bali Advertiser & Bali Post)
- **Wall Banner / X Display Banner** (request for PR Chair to please organize another one – thanks)
- **The Club's Website** (request for this to be updated as events stop at July 09 – thanks)
- **Press Conference/ Press Release** (Hard Rock Hotel Rp. 60 million's donation for our cleft palate project)
- **Fellowship Events** (Trivia Nights, the Literary High Tea, Film night at the Canggu Club preceded by a reception at P Patricia's home, and the Thursday evening social gatherings at the Anantara Resort). Through these evenings, we have had four prospective new members because this has been open to the general public.

While attending the **RI Convention in Birmingham, UK in June 2009**, P Patricia picked up a set of the **Humanity in Motion** discs. These are the latest phase of **Rotary's Global Public Image Campaign** and cover four sets of public service announcements for television, radio, print, internet and outdoor media (billboards) and provides materials to support outreach for Membership and Rotary's End Polio Now campaign.

- invited the **Committee Chairs** to attend the next **Board Meeting** to discuss their strategies for the remainder of the year. They will then be requested to present their plans to the members at the Club Assembly on 27 January.

- informed the members that there will be a **Club Assembly** on **27 January** where the Board will present the **Club's Strategic Plan** for consideration.

- said [PP Sarita](#), Chairperson of **Rotary Foundation Committee**, will give a brief talk to the Club during the 13 January meeting. P Patricia also plans to present the **Rotary Foundation Keynote** address from the RI Convention in Birmingham, UK last June.

• [PP Anita](#) proposed a fieldtrip to the **Echo Learning Park** in **Nusa Dua** which is part of the **R.O.L.E. Foundation**. This was enthusiastically received by many members. PP Anita will select a date and then send the members further details in the near future.

• [PN Patrick](#):

- distributed the latest '**Meeting Times**' of the other **15 RCs located in Bali**. He informed the members that he would continue visiting the other Clubs in the new year and invited them to join him when possible. It's a GREAT way to meet **other Rotarians in Bali** and learn about their **Projects/Activities/Fundraising**.

- told the members that he had met with his **Admin Committee** on Wednesday, 30 December at **Tres. Peter's Restaurant (Lestari Grill & Pasta)** and discussed the following points:

1. New format for the Club Bulletin.
2. Length of the weekly Club meetings (weeks 1 & 4).
3. Results of the November "mini" Club Surveys.
4. The Student Service-learning Program from D-6670 (Ohio, USA)

- before explaining the results of the two **November "mini" surveys**, he reminded the members what an **EFFECTIVE Club** should be:

- *Sustain or increase its membership base*
- *Implement successful projects that address the needs of their community.....*
- *Support The Rotary Foundation through both program participation and financial contributions*
- *Develop leaders capable of serving in Rotary beyond the club level*

13 members completed the surveys. The results were:
